Sub:- Lunch charges incurred by the Govt. Porcelain Factory, in connection with the meeting of the Board of Management of Govt. Electric Factory and Porcelain Factory held on 23-2-1951.

Ref:- Audit objection in the audit report of the Govt. Porcelain Factory for the year 1950-51.

With reference to the above, I write to state that the General Manager, Govt. Porcelain Factory reports that a sum of Rs.11-15-0 was incurred towards lunch charges for the meeting of the Board of Management of Govt. Electric Factory and Porcelain Factory held on 23-2-1951 and the amount was debited towards revenue funds of the concern and that the auditors of the Accountant General Office have raised an objection in the audit report as noted in the margin, for the expenditure incurred on the ground that the expenditur is of a special nature and requires sanction of Government, in accordance with G.O.No.H.6142-6145/S&A 111-49-1 dated 23-1-1950. The objection is pending disposal for want of sanction of Government.

Lunch Charges. Para 27 - A sum of Rs.11-15-0 was spent from the funds of the concern during March 1951 towards catering charges during a meeting of the Board of Management held on 23-2-1951. Sanction of Government is necessary for incurring such charges (vide G.O. No.Fl.6144-6145/S&A 111-49-1 dated 23-1-1950)

M

I, therefore, request that sanction of Government may kindly be obtained for having debited the expenditure of Rs.11-15-0 on account of Lunch Charges towards Revenue Funds.

Yours faithfully,

S. Muninanjappa

Reg:-Lunch charges at Government cost.

OFFICIAL MEMORANDUM.

Government observe that there is a persisting tendency to have lunch at the cost of Government almost at every meeting whether Committee meetings or meetings of Officers or during the visit of distinguished persons. It is feared that this tendency is practically getting out of control. Such a practice does not appear to obtain in other Provinces. Members of Committees, particularly non-officials, get their daily allowances and under the rules when they come from outside, and those in Bangalore could easily make their own arrangements for lunch.

It is not clear why lunch should be provided at all at Government cost. The need for economy is urgent and Government request all Heads of Departments and Officers concerned to stop the practice altogether. Should however the Heads of Departments find it necessary to provide lunch at Government cost at any meetin the previous permission of Government should invariably be obtained Any such expenditure incurred without the previous sanction of Government will not be passed.
